

Bringing state & local government to light.

Thank you so much for your interest in helping Sunshine Review a 501(c)3 educational non-profit . Our organization is dedicated to bringing state and local governments to light across the nation. Given the technology at our fingertips, there is no excuse for local government not to be proactively disclosing government data to its constituents.

Your gift, regardless of size, will help advance our mission to encourage local government to adopt our transparency checklist and embrace being an open, honest, and accountable government. Donations are tax deductible.

Please contact our Executive Director, Mike Barnhart, with any questions about your support.
